### In Regard to Taxes.

Mr. C. H. McHenry, Treasurer and  
Collector, Aztec, N. M.—Dear Sir:  
Answering your favor of the 6th, I beg  
to state, it has been considered all  
over the territory that the taxes on  
delinquent taxes are to be added according  
to the Duncan law of 1859. This  
last legislature as you know passed a  
law removing all penalties and extending  
time for payment of taxes till July 1st,  
1860. That, taken in connection with the  
Duncan law would add on July 1st,  
1860, 1 per cent to all delinquent taxes,  
and on August 1st 1860, four per cent  
more.

I have no doubt you find great difficulty  
in making up a good delinquent list for  
publication under the Duncan law. We  
are in the same difficulty in this  
country. On the last you can get a  
good list of delinquents and a good  
description of the property, and when  
ever the description of 1859 is good, that  
will assist you in listing the bank taxes  
on the same property. I will be in your  
county at court during October, and will  
give you any assistance possible in com-  
piling and making up the list. It may  
be that where descriptions are not good  
we have to make new assessments. Very  
truly yours, R. C. GROVE,  
District Attorney.

To recover penalties collected in excess  
of the 5 per cent will require an order by  
the board of county commissioners.

G. H. McHENRY, Collector.
